| **SUMMER 2023**  | 4       | **Milestone Project:** Capstone Leadership Project (Session A • 2 credits)  
**Elective Course:** Elective #4 (2 credits) |

## Notes:
- The MS in Engineering Management program can be completed in as little as 2 years, but also offers students the flexibility to set their own pace and extend their studies for up to 5 years.
- Core I Courses, Core II Courses, and Milestone Projects are delivered via short, 7-week sessions for 2 credits.
- Electives can be completed at any time during the MSEM experience. Students who live within commuting distance to the Tufts University campus have the flexibility to choose between on-campus and online courses.
